

Inlaws & OUTLAWS

Marriage from the inside. And out.

What do you get when you fall in love? *Inlaws & Outlaws* cleverly weaves together the **true stories** of couples and singles— **both gay and straight** — and all into a collective narrative that is as hilarious as it is heartbreaking. At the top of the film, you meet **real people** one on one. You don't know who's gay or straight or who's with whom. As their stories unfold and stereotypes fall by the wayside, you won't care because you'll be rooting for everybody. With candor, good humor, great music and real heart, *Inlaws & Outlaws* gets past all the rhetoric to explore what we all have in common.

Inlaws & Outlaws has already benefited from a spirit of community partnership. We made this film on a modest budget of \$120,000—all raised by individuals and small businesses right here. Our next goal is to raise an additional \$120,000 to launch the film and bring it to communities all across Washington state.

With this investment, we can purchase the music rights necessary and build an outreach campaign that brings this film to churches, schools, theatres, and communities from Omak and Walla Walla to Friday Harbor and Port Angeles. Together, with straight and gay allies like the GSBA, Equal Rights Washington, PFLAG, Lambda Legal, and the Religious Coalition for Equality, our positive message can reach thousands of people and have tremendous impact.
